

Liberty Bible Children's Ministry

COVID-19 Protocols

- All People are Required to have their temperatures taken upon arrival
- All Leaders and Children are Required to Wear Face Masks and/or Face Shield
 - *Nursery not required, Preschool Recommended, Elementary Required
- 1 Adult for Drop off and Pick Up
- Volunteers will Check-in children at the Kid's Ministry Check-in Stations
- Adults will tear their own label during check-in to limit contact.
- All Children and Leaders will wash/sanitize their hands upon arrival
- Each child will receive individualized supplies for use during class
- Supplies will be sanitized between uses
- Children will be arranged in socially distanced seating
- Hand washing/sanitizer will be used if close contact is made between leader and child
- We will not be providing snacks during class, please feed your child before attending
- We ask that parents keep children's personal items with them leaving only essentials needed
- Classrooms will be at reduced capacity per CDC & Government Regulations
- If capacity is met, children will be offered a Kid's Sermon Packet and asked to sit with their parents that week. (We will do our best to reduce this scenario)
- We ask that all people stay home if they have a fever, have tested positive for COVID, been in contact with someone who has tested positive for COVID within 14 days, or has been sick within the last 48 hours

*We understand the nature of children and the difficulty of promising social distancing. Please note we will do our best to social distance when possible and practice caution when social distance is broken. It is our heart to create a space where children feel loved, safe, and accepted
